Ha! Ha!

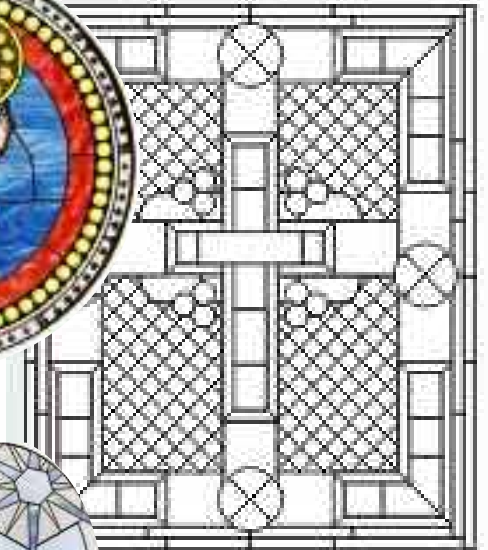

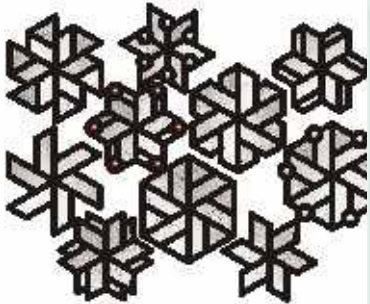

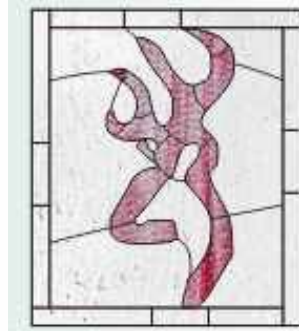

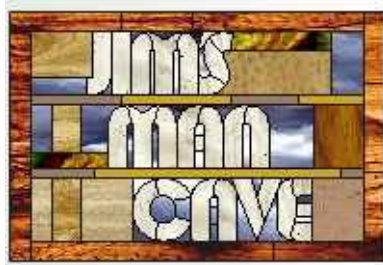

I haven't
spent

enough time in this new year
(less than 2 days) to think up
anything prophetic to say. So I
think I will take the cue and
just go with an image from my
heart - to wish you a wonderful
2012. OK I just thought of
something -- that is the
following: Dr. Viktor E. Frankl

(Psychiatrist and Holocaust survivor) has a winning philosophy for this year,
so here is his wonderful quote. **"When we are no longer able to change a
situation - we are challenged to change ourselves"** I cannot top that
philosophy and so, leave his wisdom for you to ponder. Tragically and brutally
persecuted for many years, a story unbearable to tell, yielded a man that not
only survived, but thrived. Amazing.

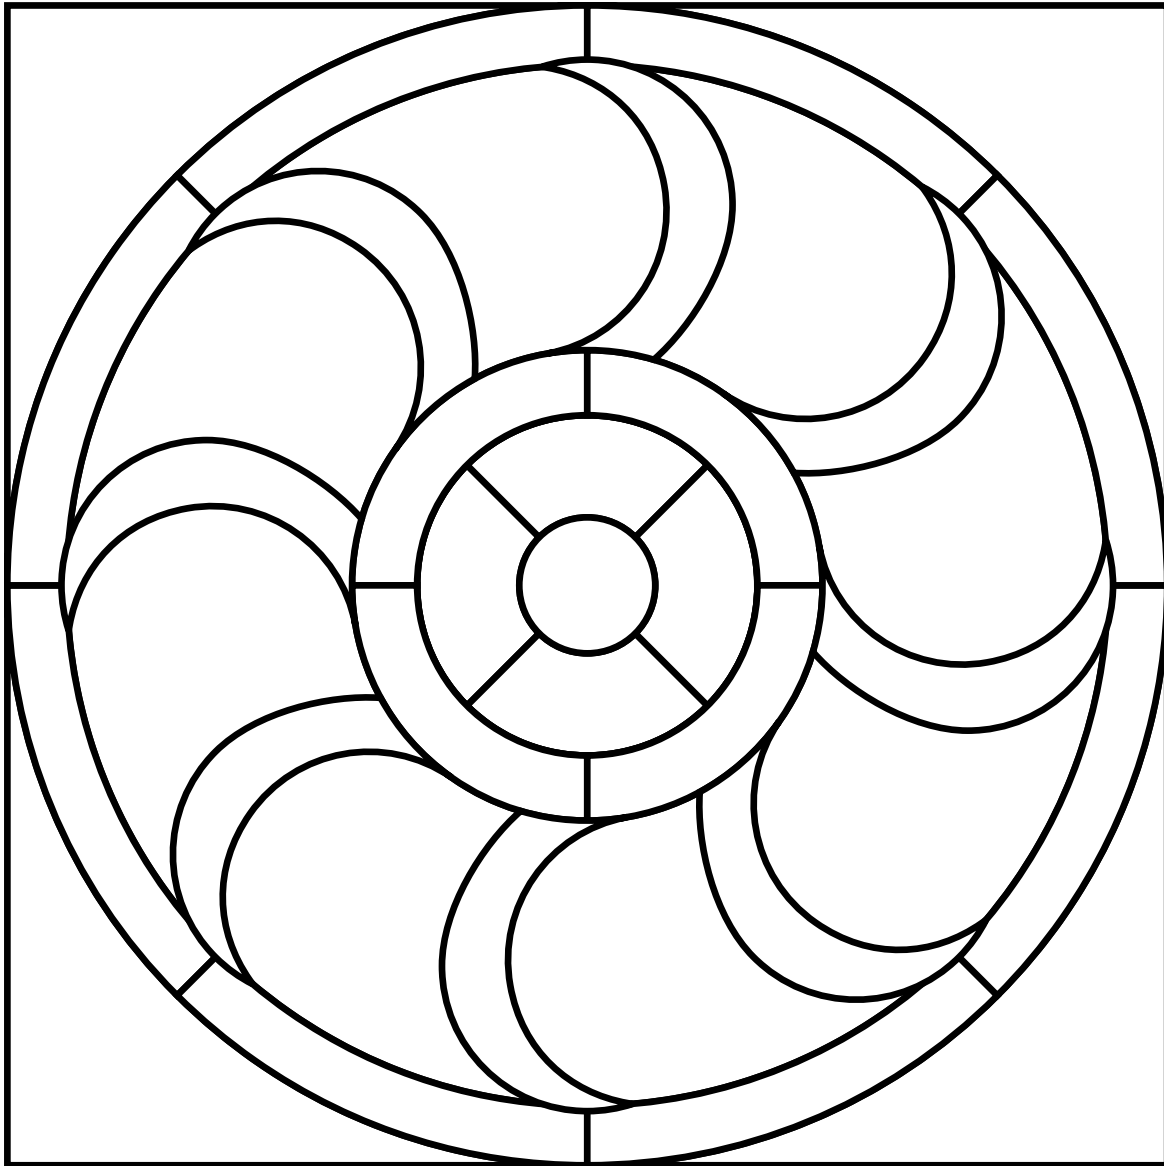

Best New Year to you all, and thanks for your business in 2011, and I, of
course, love to hear from you (send pictures for me to post in the gallery) and
value your continued business.
